No.	Kit Name (Category)	Kit Name (LCD) (Variation)	File Name	Order in File USR No.	Kit Description
1	Rock Kit	Rock Single	ROCK_KIT.T3A	1	This rock kit has been made from Beech Custom Absolute drum sounds in conventional sizes – 22" bass drum, 10" and 12" toms, 14" and 16" floor toms with a 14x6.5" snare. The cymbals are heavier but still bright. Pulling down the Misc/Sub kick fader tightens the bass drum up to a well dampened thump.
